A MESSAGE FROM RECONCILIATION AUSTRALIA'S CEO KAREN MUNDINE

Reconciliation Australia commends TeamKids on the formal endorsement of its inaugural Innovate Reconciliation Action Plan (RAP).

Commencing an Innovate RAP is a crucial and rewarding period in an organisation's reconciliation journey. It is a time to build strong foundations and relationships, ensuring sustainable, thoughtful, and impactful RAP outcomes into the future.

Since 2006, RAPs have provided a framework for organisations to leverage their structures and diverse spheres of influence to support the national reconciliation movement.

This Innovate RAP is both an opportunity and an invitation for TeamKids to expand its understanding of its core strengths and deepen its relationship with its community, staff, and stakeholders.

By investigating and understanding the integral role it plays across its sphere of influence, TeamKids will create dynamic reconciliation outcomes, supported by and aligned with its business objectives.

An Innovate RAP is the time to strengthen and develop the connections that form the lifeblood of all RAP commitments. The RAP program's framework of relationships, respect, and opportunities emphasises not only the importance of fostering consultation and collaboration with Aboriginal and Torres Strait Islander peoples and communities, but also empowering and enabling staff to contribute to this process, as well.

With close to 3 million people now either working or studying in an organisation with a RAP, the program's potential for impact is greater than ever. TeamKids is part of a strong network of more than 3,000 corporate, government, and not-for-profit organisations that have taken goodwill and intention, and transformed it into action.

Implementing an Innovate RAP signals TeamKids readiness to develop and strengthen relationships, engage staff and stakeholders in reconciliation, and pilot innovative strategies to ensure effective outcomes.

Getting these steps right will ensure the sustainability of future RAPs and reconciliation initiatives, and provide meaningful impact toward Australia's reconciliation journey.

Congratulations TeamKids on your Innovate RAP and I look forward to following your ongoing reconciliation journey.

Karen Mundine

A MESSAGE FROM OUR FOUNDING DIRECTOR SAM

As the founder of TeamKids, I am both honoured and humbled to introduce our inaugural Reconciliation Action Plan. This document represents a significant milestone in our ongoing commitment to fostering equity, representation, and empowerment for Indigenous communities across Australia.

For me, this RAP signifies far more than just a strategic initiative. It embodies a passionate belief in the inherent rights, cultural richness, and untapped potential of our Aboriginal and Torres Strait Islander brothers and sisters. It's a tangible testament to our dedication to righting historical wrongs and shaping a future where every individual is afforded equal opportunities, regardless of their background.

TeamKids journey toward reconciliation is just beginning, but it is one that resonates deeply within me. It's a journey rooted in the principles of justice, education, and solidarity—a journey I am unwaveringly committed to. We recognize that this plan is not a destination but just the start of a series of purposeful steps toward a more inclusive and equitable tomorrow.

Education lies at the heart of our commitment. We understand that knowledge is the cornerstone of change. Therefore, we strive to not only amplify Indigenous voices but also to learn from them, to listen intently, and to act with purpose.

This RAP is a living testament to what TeamKids stands for. It's of our belief that by working collaboratively, respecting diverse perspectives, and honouring the wisdom of Australia's First Nations people, we can build a society that is remarkable, involved, cherishes equality and celebrates diversity.

Together, we embark on this transformative journey—one that echoes with the spirit of unity and progress. I am resolute in my dedication to making a tangible difference, and I invite each member of TeamKids and the broader community to whom we serve to join me in this collective endeavour.

OUR VISION FOR RECONCILIATION

Encompassing the Boonwurrung lands in Southern Victoria up to Yadhagana land in Northern Queensland and everywhere in between, TeamKids are on a reconciliation journey. TeamKids exists to enrich children's lives and, with this commitment, feel an enormous responsibility to ensure the next generation of Australians grow up with a connection to and understanding of the oldest living cultures on earth, that of First Nations Peoples.

Through TeamKids ever-growing network of 45,000 families, 2,500 educators and 220 school partnerships, we believe we can meet that responsibility by walking together with our families, children, and communities.

Our vision for reconciliation is an equitable, unified Australia that learns from and champions the rich and diverse culture of our Aboriginal and Torres Strait Islander peoples. It recognises the intrinsic connection that Aboriginal and Torres Strait Islander peoples have with Country, honours their lived experiences, and conveys a deep respect for their ancient wisdom.

Our mission is to provide a culturally safe, nurturing, and inclusive environment for Aboriginal and Torres Strait Islander staff, children, and families to feel a sense of belonging and strong connections with community, and Country.

We will ensure Aboriginal and Torres Strait Islander children are recognised as the creators, thinkers, and doers of today and tomorrow and dedicate ourselves to helping amplify their voices, contributions, and histories of Indigenous Peoples.

TeamKids provides a pathway that fosters cultural awareness, respect, and collaboration, empowering children to become agents of positive change.

TeamKids celebrates Aboriginal and Torres Strait Islander peoples as the First Peoples of Australia and the Traditional Custodians of the lands, skies, and waterways on which we live. This respect is woven and embedded into everything we do.

We strive to instil First Nations cultures and perspectives in our routines, programming, teaching, environments, and training. TeamKids supports First Nations businesses through our procurement practices and planned experiences to ensure equitable partnership opportunities with TeamKids.

We understand that our Reconciliation Action Plan is a living document that is constantly growing. TeamKids is committed to continuous learning throughout this process to embed reconciliation principles into our practices, curriculum, and interactions, nurturing a sense of belonging, compassion, collaboration, and reconciliation for all.

OUR BUSINESS

TeamKids exists to enrich children's lives. We are proud to be an 'Employer of Choice' in the OSHC Industry. TeamKids currently partners with 220 schools in Victoria, ACT, NSW, and Queensland to deliver remarkable Before, After and School Holiday Programs.

Our enrichment reach grows each year as we partner meaningfully with more schools. All of this is done with a sustainable growth plan that doesn't compromise the quality of programming for the children in our care.

We employ over 2500 staff, with 94 staff based at our head office in Melbourne. Most of our staff members are a part of our amazing Operations and Educator Teams.

TeamKids is an equal-opportunity employer. We take our 'positive duty' seriously and provide a culturally safe environment and inclusive workplace.

As diversity is a part of our everyday workplace culture, we do not keep records of the backgrounds of our employees. TeamKids facilitates culturally responsive strategies, one of which is a working group that promotes equality and strengthens our inclusive and culturally diverse OSHC programs.

One of the important strategies of the working group is the ongoing development of the TeamKids Reconciliation Action Plan (RAP).

Through the culturally safe environment of the working group, as a natural extension of our workplace, we are honoured that two of our working group members were comfortable in identifying themselves as Aboriginal peoples.

GEOGRAPHICAL REACH

Our organisation's geographic reach encompasses regional areas within our state operations, such as Geelong in Victoria, Toowoomba in Queensland, Kanwal and the Hunter Valley in New South Wales. We have a very strong state presence in the Capital Cities of Melbourne, Sydney, Brisbane, and Canberra.

TeamKids is growing our national reach with our partnerships and as a member of OSHCA, the Outside School Hours Council of Australia.

TeamKids has recently launched the inclusive TK shop, which is a range of carefully considered and sourced Educational and Inclusive resources for children to learn skills, build confidence, and find new ways to interact. The TK shop, which provides opportunities to First Nations Businesses and for children to learn from diverse cultural contexts that build awareness, is an innovative part of our national reach as an organisation.

ABOUT THE ART

This artwork "Special Family" is a heartfelt representation of love that exists within families and their surrounding communities. It serves as a tribute to the connections within a family who are there for each other through the good times and the bad.

It truly takes a village to raise children and this artwork acknowledges the crucial role that community plays in providing a network of support, understanding, and encouragement.

My hope is that this piece serves as a visual representation of the power of love, support and community.
